OPINION OF OFFICER TAKING AFFIDAVIT

The officer before whom the affidavit is made should see that the pertinent facts and circumstances regarding the applicant's residence abroad are fully and correctly set forth in the affidavit and application. If, for any reason, they are not so stated the officer should complete them in the space below, adding such comment or opinion as is appropriate. He should state whether the facts recited constitute the true reason for such residence, and whether they are sufficient under the established rules to entitle him to protection as an American citizen. He should also definitely state his opinion, in the case of a native citizen, whether the applicant has SATISFACTORILY EXPLAINED HIS PROTRACTED FOREIGN RESIDENCE, and in the case of a naturalized citizen whether HE IS IN A POSITION TO OVERCOME THE PRESUMPTION THAT HE HAS CEASED TO BE AN AMERICAN CITIZEN. (Sec. 144B and notes 3 to 6; sec. 155, note 15.) He should sign his name and add his title below the statement of his opinion.

The applicant states that he knows very little about his parents prior to his birth but that he thinks they returned from the United States shortly after their marriage there in 1897, and that all of his eight brothers and sisters were born in this country after the return of the parents. The latter are both alive and are living with him and a younger brother. The rest of the family now being in the United States.

While this case was presented as an immigration case it was subsequently developed in correspondence that the applicant's father was allegedly naturalized before the October term of 1894 of the Supreme Court of Concord, New Hampshire, held on October 29, 1894. The father is, however, unable to find his naturalization certificate, which he thinks has long since been lost, or an American passport. There is attached hereto a signed photograph of the applicant which may be identified by either Mrs. Beham at the address indicated on Form 176 or by the applicant's two brothers, John or James Harrison residing in Concord, New Hampshire, at 29 Bradley Street and 1191 N. State Street respectively. The Consulate General has carefully checked all available information as with regard to the names of the applicant's parents on the birth certificate and in their marriage certificate (in which connection it appears that the father is also known as Thomas M. Harrison as well as Thomas Harrison although the middle name has not been used for a good many years and is unknown to the applicant).

The applicant's father is this date being invited to apply for registration as an American citizen and the Department will be informed in due course whether or not he is subject to the provisions of the Acts of June 29, 1906 or March 2, 1907. In this connection it might be pointed out that the applicant was born with dual nationality if he has a claim to American citizenship and he could not have expatriated himself whether or not he has voted in the national elections in this country, or applied for an Irish passport.

P.C. Hutton,
American Consul.

October 8, 1938

To the American Consular Officer in Charge,
Dublin, Ireland.

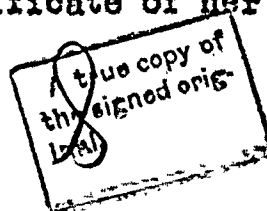

The Department has received from your office the application for a passport and an affidavit on Form No. 213, which were executed on September 12, 1938, by George Harrison.

It appears that the applicant's father, Thomas Harrison (Thomas M. Harrison) is the person whose case was the subject of your despatch No. 1270 of March 2, 1936, and that he has been invited to apply for registration. Since the citizenship status of the applicant is dependent upon that of his father, no decision will be made upon the application under acknowledgment pending the receipt of the father's application for registration. The case of the father should be fully presented to the Department.

With reference to the naturalization certificate of Thomas M. Harrison attention is called to the statements made in the enclosure to the Department's instruction of January 4, 1936, in his case to the effect that his daughter, Mrs. Agnes Harrison Cromey, has in her possession the naturalization certificate of her father.
